

Upload from Notability to Moodle

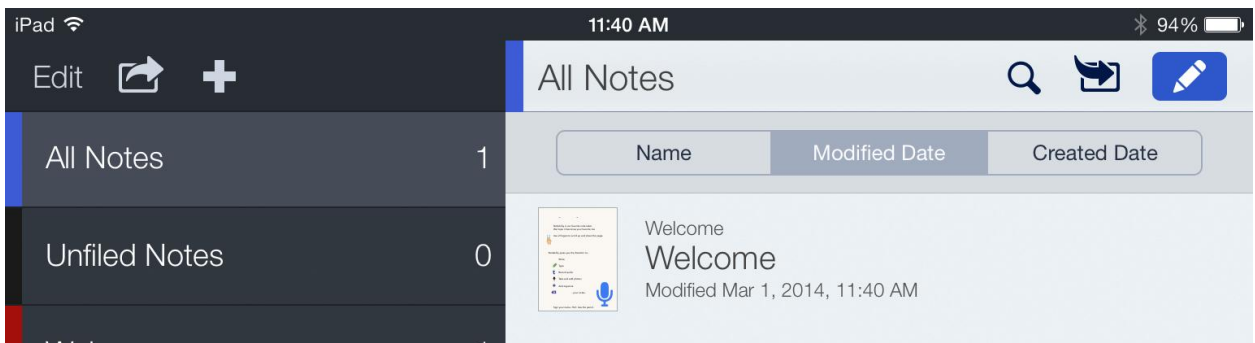

1) Open Notability

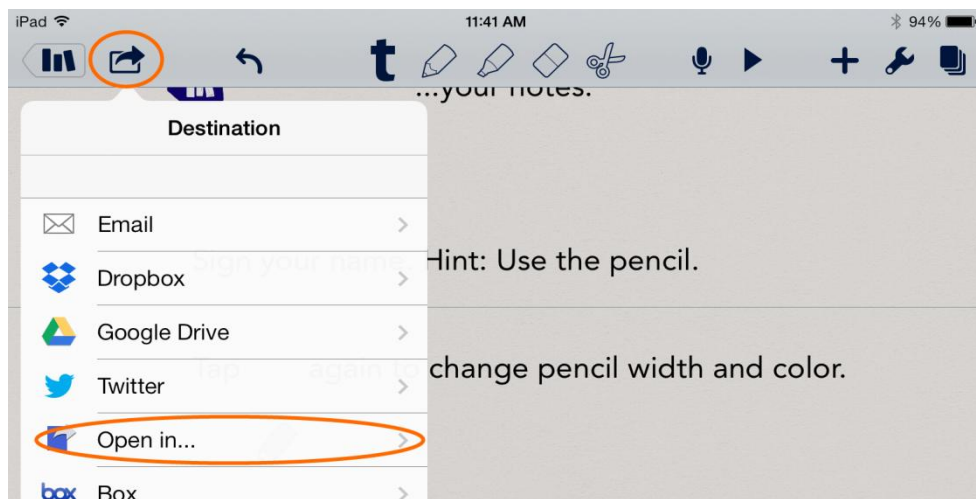

2) Go to your notes

3) Choose the file you want to upload and open it

4) With the file open, click the share button at the top and then click on "Open in ..."

5) Click on “Open Note In...”

6) Click on MoodleZ

7) Now with the file showing on screen, click the “Done” in the upper left corner

8) You may or may not be taken to the MoodleZ home page depending if you are already logged into MoodleZ. If necessary, enter “http://hayfieldmoodle.com” for the moodle address. Then click “Go.”

9) On the next page, scroll to the bottom and log in if necessary

10) Once you are logged in, choose your course category and then choose the class

Course categories

Course categories:

Business Education ▼

Computer Applications 1 - S2

Teacher: Dorien Grav

Computer Applications 1 - Semester 2

Computer Applications 2 - S2

11) Now find the assignment you want to upload to. Assignments that want a file uploaded are indicated by the icon shown below.

12) Click on “Add Submission.” If you have already uploaded a file click “Edit Submission” instead.

Add submission

Edit submission

13) Click “Upload File” in the upper right corner

14) If you already uploaded a file but wish to change it, delete the old file first

14) Click on "Add"

15) Click on "Upload"

16) Click on "Choose From Documents"

17) Click on "Inbox"

18) Click on the file you want to upload

19) Click on "Select"

20) When the file is done uploading click on “Save”

21) Make sure you click “Save Changes”

22) Your file should now be uploaded
